Town Clerk's Report

To the Citizens of the Town of Westport:

In accordance with Chapter 25, Sec. 397A Revised Statutes 1954, amended by Laws of Maine 1957, Vital Records cannot be printed in the Town Report from Feb. 11, 1960 to Feb. 11, 1961 (meaning names).

There have been recorded by the Town Clerk:

Births	8
Deaths	7
Marriages	2

An accurate record has been kept of all town meetings, elections, bonds, and all other items that normally come under the jurisdiction of the office of Town Clerk.

As an agent of the state, 59 hunting and fishing licenses have been sold. 30 dog licenses have been issued.

Respectfully submitted,

ROSS T. BEATON

Town Clerk

MAINE DEPARTMENT OF HEALTH AND WELFARE**Division of Public Health Nursing, Bureau of Health
Annual Report of Public Health Nursing Services in
Westport Island for the Year 1960**

Public health, in simple terms, is the sum total of the health of individuals and families living in a community. An organized program for public health is one that offers those individuals and families every possible chance of living and enjoying life, free from the handicaps of preventable disease and disability. In more formal terms, the objective of a public health program is to bring to all the people the benefits of modern medical and related sciences including the care and rehabilitation of the sick and disabled, the promotion of healthful living, and the prevention and control of disease.

A number of people are involved in the attaining of this objective. All together they make up a "health team". The public health nurse is an essential member of this team. She shares in planning and action with other workers in the fields of health, education, and welfare; with physicians, hospitals, clinics; with school personnel; with citizen groups. One of her important functions is coordination with the others involved to provide public health services to individuals, families, and community. Citizens of the community are also essential members of the health team. Alert to the health needs of their community, taking their share of responsibility to meet these needs, their contribution as health workers is indispensable to the effectiveness of the public health program. A vital, dynamic, working "health team" in the local community strengthens the public health not only of that community but also of the State and the Nation.

The following is a brief summary of some of the accomplishments that have been made possible through such teamwork:

Number of Child Health Conferences	1
Number of Children attending	8
Immunizations:	
Polio	18
Smallpox Vaccinations	1

Necessary follow-up after physical examinations at Child Health Conferences, or at school, or from any of the State sponsored clinics, such as, Cardiac, Crippled Children, or Mental Retardation, has been made through home visiting.

The Public Health Nurse wishes to take this opportunity to thank all the citizens in the community who have given so generously of their time and talents. It is by such cooperation that health programs become a real success.

Respectfully submitted,

LUCY MARSHALL CHAMBERLAIN

Public Health Nurse

State Department of Audit

Augusta

TOWN OF WESTPORT

May 2, 1960

Board of Selectmen

Westport,

Maine

Gentlemen:

In accordance with Chapter 90 A, Revised Statutes of 1954, an audit has been conducted of the financial records of the Town of Westport for the fiscal year ended February 12, 1960.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting and was conducted by Auditor C. G. Hawes of the State Department of Audit.

The audit analysis was on a basis consistent with that of the preceding year, and included such tests of the accounting records and other auditing procedures as were considered necessary in the circumstances.

The financial and statistical section, incorporated in this report, present the results of the Town's financial operations for the period indicated.

Respectfully submitted,

MICHAEL A. NAPOLITANO

State Auditor

**COMMENTS
TOWN OF WESTPORT****February 13, 1959 To February 12, 1960**

An audit of the financial records of the Town of Westport has been completed for the fiscal year ended February 12, 1960. The audit consisted of an examination of the records maintained by the Selectmen, Treasurer, Tax Collector and other municipal officials.

The examination included a review of cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following text, exhibits and schedules.

The fiscal year's operations showed that the net unexpended departmental balances lapsed amounted to \$2,460.72, per the following summary:

Departmental Operations:

Unexpended Balances	\$3,073.97
Overdrafts	613.25

Net Unexpended Balances	\$2,460.72
-------------------------	------------

Unexpended balances in the contingent, snow removal and special highway accounts were the major factors contributing to the amount lapsed to surplus. The larger overdraft occurred in the interest account.

ASSETS The cash balance of \$5,655.61 was verified by reconciliation of a statement furnished by the First National Bank of Bath, Maine. Bounty and petty cash accounts were verified by actual count.

Taxes receivable totaling \$780.72 consisted for the most part of unpaid current year's accounts of \$691.92. The balance of \$88.80 contained uncollected prior years' taxes dating from 1956.

Tax liens and tax acquired property amounted to \$182.25 and \$659.76 respectively.

RESERVES The departmental operating accounts showed an unexpended balance of \$1,611.91 representing various operating account balances which are carried forward to the ensuing year in accordance with legal requirements and/or customary practice.

Excise tax collections of \$277.78 are reserved for future allocation by the townspeople.

SURPLUS The unappropriated surplus amounted to \$5,321.25, a decrease of \$425.66 for the year. The change was occasioned principally by an authorized appropriation for the annual payment on the Westport-Wiscasset bridge note and transfers to the town hall and town highways account, less the net unexpended departmental balances lapsed.

DEPT FUND The dept fund, incorporated in the balance sheet as a separate fund, reflects the outstanding Westport-Wiscasset Bridge and the Dyke Bridge notes of \$4,000.00 each which mature during the ensuing four years.

RESERVE FUND The reserve fund for a school building or for tuition totaled \$594.16 and is on deposit in the First National Bank of Bath, Maine.

DEPARTMENTAL ACCOUNTS The departmental accounts showed a decrease of \$516.54 in funds raised by taxation, as compared with the preceding year. Smaller appropriations for highways and debt, and larger appropriations for education and general government were the major factors responsible for the decrease.

The departmental balances carried forward to the ensuing year decreased \$1,483.52, as compared with the balances at the start of the year. The decrease appeared principally in the highway and education accounts.

GENERAL The townspeople authorized the transfer of the 1959 excise tax revenue to the contingent account and the transfer of \$1,000.00 from surplus for payment on the Westport - Wiscasset Bridge loan.

The selectmen were authorized to negotiate a loan up to \$1,500.00, the proceeds to be used for town hall repairs, however, they transferred \$1,473.58 from surplus to cover these expenditures.

SCOPE OF AUDIT

Count of cash was made and records checked to determine the accuracy of recording cash transactions. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern.

The cash account was verified by reconciliation of statements furnished by the depository. External verifications were utilized on a test basis to determine the correctness of recorded assets and liabilities.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period. Excise tax collections were verified with the copies of the receipts retained by the Collector. Education account balances were checked with a report of the Superintendent of Schools. Surety bond coverage was reviewed.

In our opinion, subject to the foregoing comments, the accompanying statements and supporting information present fairly the financial position of the town at February 12, 1960, and the results of its operations for the year then ended.
